Recap & Highlights:
PLAY WITH PURPOSE

What an amazing July it's been for the Aurora Eagles! This month was filled with milestones, teamwork, and strong community support that truly reflects the heart of our club.

Congratulations to our U18 Team for bringing home the Champions Trophy at the Alianza Tournament! Your hard work and dedication continue to make us proud.

Shoutout to our U19 Boys and U19 Girls teams for their strong performances at the College Showcase! These events are a powerful reminder of why we're committed to preparing our athletes for the next level. Through training, exposure, and our Readiness Program, we're opening doors for their futures both on and off the field.

A special thank you to the Community Foundation of the Fox River Valley for the YEP Grant that helped us secure a printer for the club another building block in creating not just a soccer program, but a youth development program rooted in opportunity, growth, and support.

This is what happens when community shows up.

Sand, Soccer and Tacos:
SOCCER IN THE SAND

What a weekend! Our Aurora Eagles Beach Tournament was a sandy, sweaty, and seriously awesome success! We hosted 14 teams, and let's just say… the Eagles showed up and showed out! Our 08/07 Boys, 07/06 Girls, U19 Boys and Coed adults took home the championship trophy. Our 2014 Boys, 2010 Boys, 2010 Girls,2009 Boys and Men's Open earned a hard-fought 2nd place. All of our teams brought the heart, hustle, and sunburns. We couldn't be prouder of our athletes, y'all crushed it out there!

Thank you to all the coaches, parents, and volunteers who kept things running, brought the snacks, cheered until their voices were gone, and made sure no one left without at least a little sand in their shoes. And of course, our incredible photographers, you absolutely snapped!

A huge shoutout to Perform Sports Surfaces for your donation and support! You helped make this event possible!

Let's not forget the real MVPs, the tacos. Big thanks to the club for feeding all our athletes and families. They gave us the fuel and the happiness we needed to keep going strong.

This is what happens when community shows up. We play hard, we laugh harder, and we build something bigger than the game.

Same time next year?
